Our Second Exhibition & Sale

Last year, our first Exhibition and Sale of Canadian Art was an outstanding success. In sponsoring this annual event, the Association of Alumni of Sir George Williams University feels it is providing an important program for its members, Canadian artists, the University and the community at large.

Members of the Alumni are being encouraged to invite guests to join them when visiting the Exhibition and it is hoped that they will take advantage of this opportunity to support an Alumni-sponsored activity, the success of which is important to the University and the community at large.
